In 2005, the Legislature amended the Texas Transportation Code to allow a city to set a speed limit lower than 30 miles per hour, but not less than 25 miles per hour, on a highway if:

- the highway is not an officially designated or marked highway or road in the state highway system;
- the highway is 35 feet or less in width,
- vehicular parking is not prohibited on one or both sides of the street; and
- the highway has less than four lanes used for vehicular travel.

Texas Transportation Code Section 545.356 allows that the City Council may lower the speed limit along the residential streets in the area bounded by South Congress Avenue, West Oltorf Street, South First Street, Barton Springs Road, and West Riverside Drive to 25 miles per hour. Just over half of the streets within the area are eligible under State law for a 25 mile per hour speed limit. The exceptions are Haywood Avenue from West Riverside Drive to its end, West Monroe Street from South Congress Avenue to Newton Street, West Annie Street between South Congress Avenue and South First Street, and West Mary Street between South Congress Avenue and South First Street because these streets are wider than 35 feet. Other exceptions are Nellie Street from South Congress Avenue to Newton Street, Newton Street from Nellie Street to West Elizabeth Street, Wilson Street from West Oltorf Street to West Live Oak Street, College Avenue from West Oltorf Street to South Congress Avenue, Bartlett Street from South Congress Avenue to Euclid Avenue, West Elizabeth Street from South Congress Avenue to South First Street, West Live Oak Street from South Congress Avenue to South First Street, and West Gibson Street from South Congress Avenue to Newton Street because these streets have extensive parking restrictions. None of these ineligible sections of streets are in the recommended Code changes.

Staff recommends that Section 12-4-24 be amended to add the following streets to the list of streets with a maximum speed of 25 miles per hour:

Crockett Street from South Congress Avenue to its end  
Durwood Street from West Oltorf Street to its end  
Euclid Street from West Oltorf Street to West Live Oak Street  
Eva Street from West Live Oak Street to

Crockett Street Eva Street from West Johanna Street to West Gibson Street Fletcher Street from Wilson Street to Euclid Avenue Forest Avenue from West Oltorf Street to Fletcher Street Lindell Avenue from West Live Oak Street to its end Newton Street from West Live Oak Street to Crockett Street Newton Street from West Johanna Street to West Elizabeth Street Roma Street from West Monroe Street to West Milton Street West James Street from Newton Street to South Congress Avenue West Johanna Street from South First Street to South Congress Avenue West Milton Street from South Congress Avenue to its end West Monroe Street from Newton Street to South First Street Wilson Street from West Live Oak Street to West Johanna Street.
